Important Information for Patients

Carry this card with you at all times. Show it to any doctor who sees you and when you go to the hospital.

Tell any healthcare professional who sees you that you have been treated with ciltacabtagene autoleucel.

Plan to stay near the hospital where you were treated for at least 4 weeks after you have ciltacabtagene autoleucel.

Do not drive or use tools or machines until at least 8 weeks after ciltacabtagene autoleucel infusion.

Refer to the Patient Information Leaflet for more information.
