# The Patient Alert Card

|  |   |   |
|--|---|---|
| <p>Voriconazole<br/><b>Patient Alert Card</b></p> <p>Please carry this card with you at all times</p>  | <p>This card contains <b>important safety information</b> you need to be aware of before you are given voriconazole, and during treatment with voriconazole.</p> <p>If you do not understand this information, please ask your doctor to explain it to you.</p> <p>Show this card to any doctor or healthcare professional involved in your care.</p> <p>See the voriconazole package leaflet for more information.</p>   |   |
| <p>Other information (please complete):</p> <p>Your name: _____</p> <p>Date of first voriconazole prescription: _____</p> <p>Treating doctor's name: _____</p> <p>Treatment center name: _____</p> <p>Treatment center phone number: _____</p> | <p><b>You should avoid intense and prolonged exposure to sunlight during voriconazole treatment. It is important to cover sun exposed areas of skin and use sunscreen with high sun protection factor (SPF), as an increased sensitivity of skin to the sun's UV rays can occur. There is a small chance that skin cancer could develop over time.</b></p> <p><b>You should contact your doctor if you experience: sunburn or severe skin reaction following exposure to light or sun</b></p> | <p>Please ensure you <b>undergo all follow-up</b> visits for skin evaluations arranged by your doctor. Please have a list of all your other medicines and medical conditions available at each visit to a health care professional.</p> |
